BUDDY

Installation  
directly on  
grass

### Product description

BUDDY is ideal for pausing with a buddy or engaging in imaginative play. The platform offers a handle for easy access and a post that can be used spinning back on the ground. Whether it is a place to hang out with friends, a lookout point, or a podium for young presenters, BUDDY is a place to take a break as well as spark creative play and storytelling.

Simple in design yet versatile in use, BUDDY fits seamlessly into urban playgrounds, stimulating creativity and active play.
