ANTY

Installation
 directly on
 grass

Product description

ANTY is a sleek, modern version of the classic short balance beam, perfect for urban play areas. It challenges kids to master their balance and coordination.

This short durable beam, set on sturdy steel legs, offers a flat and rounded surface for varying levels of balance practice. It is a safe, engaging play option for all ages, doubling as a bench for breaks during play. Kids can play in groups, assisting and encouraging each other.

With its simple, elegant design, ANTY is a functional and stylish addition to any playground, enhancing the area with its playful form and function.
