

Product description

NETY is a modern take on a Vertical Climbing Net for urban play spaces offering an inviting climb with multiple access points. Its Step Pad and Step Bar welcome climbers of all skill levels.

The yellow in the net not only adds a visual pop, it also guides climbers through the inclined challenge, sparking the imagination. NETY helps develop children's motor skills, coordination, and strength. NETY is not just about climbing it is also a gathering spot fostering teamwork as children navigate and hang out.

Designed with cityscapes in mind, NETY's design is a fusion of simplicity and elegance creating an engaging and durable addition to any playground.
